

Announcement on the Ph. D. Dissertation Defense of Oksana Galiy (chemical sciences) Junior Researcher of I.M. Frantsevich Institute for Problems of Materials Science, NAS of Ukraine.

The Defence of a thesis will be held on 13th, December 2018 at 14.00 a.m, in I.M. Frantsevich Institute for Problems of Materials Science, NAS of Ukraine, 3, Krzhizhanovski str., 03142, Kiev

The thesis title: "Influence of chemical and phase composition, as well as surface condition, on electrochemical properties of alloys ZrNiMnCrMe (Me = V, Al) and electrodes on their basis".

Code and the specialty name – 02.00.04 – Physical Chemistry

Code of the Specialized academic council – Д26.207.02

Scientific Supervisor – Academician of NAS of Ukraine Yuriy Solonin, Doctor of Sciences (Physics and Mathematics), Professor, Director of I.M. Frantsevych Institute for Problems of Materials Science, NAS of Ukraine.

Official opponent – Yuriy Pirskyy, Doctor of Chemical Sciences, Senior Researcher, Head of the laboratory of materials of alternative electrochemical energy of V.I. Vernadsky Institute of General and Inorganic Chemistry , NAS of Ukraine

Official opponent –Yuriy Tarasenko, Doctor of Chemical Sciences, Professor, Leading Researcher, Head of the Laboratory of Electrochemistry of Nanomaterials at O.O. Chuiko Institute of Surface Chemistry, NAS of Ukraine

The abstract of a thesis can be read on the website and in the library of Frantsevich Institute for Problems of Materials Science, NAS of Ukraine.
